Speaker, Writer, and Equity Advocate

discussion questions

RACIAL MICROAGGRESSIONS IN THE WORKPLACE

- What were your main takeaways from this session?
- What resonated with our team or work?
- How are our systems of working together upholding a racist work environment?
- How can we hold ourselves accountable to inclusive work practices?
- How can we manage racial microaggressions on our team?
- How are our work systems making it harder to bring in anti-racist principles in our practice?
- What missteps might we have made in the past?
- What needs to change to keep our work accountable to racial equity?
- What's the vision for racial equity on this team and in our work?
- What will it take for us to get there?
